

CORPORATE MEDIUM GROUP ACTIVITIES

Group Size: 30-75 PARTICIPANTS

LOW ROPES / PORTABLE INITIATIVES/ ESCAPE ROOMS:

Low Ropes, Portable Initiatives and Escape Rooms are a great way to spend intentional time to work through group dynamics and leadership skills. Icebreaker activities attempt to break down barriers and create a space for vulnerability & the chance to conquer adversity by working as a team. Then, take a moment to reflect on the activities to draw meaning and application. This activity is the easiest to customize to meet your group's needs.

SPORTING CLAYS:

There is nothing quite like the feeling of excitement and the thrill that comes with shooting a clay out of the sky. It can be extremely challenging, yet a complete beginner can participate and enjoy it. Often referred to as "golf with a shotgun," sporting clays are shot on a course; no two stations are the same. A sporting clays course setup is only limited by the course designer's imagination and the surrounding terrain. We guarantee it'll be an experience loaded with memories – great shots, "almosts" and incredible walks through nature.
